CURLEW VALLEY SUFFOLKS

Today's sale is just a little bit more special for me because it is 15 years to the day that I purchased my first suffolks! Never did I dream back then that those 7 ewes and 1 ram would have developed into a lifelong passion (many of my friends would say obsession – scrolling through sheep genetics looking for a new ram with the right figures at midnight on a Saturday night is perfectly normal right?!). I have learnt so much along the way, travelled extensively and made many friends through the sheep industry. My favourite ewe ever was Hazel, an Updown Park ewe No157 born in 2001 who was in the initial 7 ewes purchased. She was a stunning moderate ewe with terrific muscling and good cover. She bred the most beautiful females and its pleasing to see she is the great great grand dam to 3 of the show rams in the sale.

I am pleased to be presenting a solid line up of rams and ewes this year. They look fantastic, and exhibiting great carcass and muscling traits, and have the Lambplan data to boot.

Buying a ram is an investment that will have a significant impact on your lamb production, therefore its important to select a ram that will have maximum impact on your flock. This can be achieved by using ASBV's that target your markets, and by selecting a ram that is structurally sound. Please talk to me if you have any questions about Lambplan.

Stock where shorn in early August. On 15/8/2017 they where drenched with Triguard and also received a Glanvac 6in1 with B12S . They have had a Gudair and Eryvac vaccine.

With a wide selection of rams on offer, I trust you find rams that match your breeding criteria. I would like to thank repeat clients for their loyalty and welcome new buyers.

BELMONT SUFFOLKS & BORDER LEICESTERS

We are pleased to offer 42 Suffolk Rams and 17 Suffolk ewes, and 18 Border Leicester Flock Rams in this sale, with co-vendor Rachel Chirgwin of Curlew Valley Stud.

Belmont Suffolks were first registered in 2011.

We have sourced our ewes from Stratford, Southrose, Burwood and Broughton Lodge.

Following our debut at Adelaide Royal in 2016, we participated in the Suffolk Feature Breed Show this year, exhibiting 8 rams and 4 ewes. We were thrilled to win 2 ram classes, including a class with 27 exhibits, together with a first and fifth place in the bare shorn class of some 15 exhibits. We received a total of 8 ribbons. We didn't anticipate the interest and compliments for our sheep, but were delighted to make sales of our first placed rams to Suffolk studs at 'Kurrali' Dubbo, NSW and 'Lindean' Bathurst, NSW.

The 2013 Sydney Royal Reserve Champion Ram, from the *Bowen* stud at Millthorpe, NSW, is again the predominant sire (29) of our offering.

A further 13 rams on offer are by Belmont 1408 from a *Burwood* stud ewe purchased for \$1600 and sired by *Allendale* 1924/04.

In this current season, Belmont Suffolk rams crossed over merinos at our Keith property, saw the first draft of 110 lambs dress out at 23.7kgs at just 18-19 weeks of age.

Belmont Border Leicesters were founded in 2006. While breeding mostly for our own use, those above requirements, have been available as flock rams. In 2017, we debuted with Border Leicesters at our local autumn shows, and also Adelaide Royal where our 3 rams gained 2 first and one third prize. We await confirmation of a stud sale to Western Australia.

A stud ram, purchased in October 2015 from *Coolawang* at Mundulla, is the sire of this year's offering, together with a number by John's 618/10.

We thank all previous purchasers of our sheep, and wish today's buyers, every success.

All enquiries to

Neil (0408 839411) & Grace Kroehn, 48 Kroehn Road, Eden Valley 08 85641221
