MAKES MORE POSSIBLE

STRATFORD SUFFOLK STUD

It is with mixed feelings we approach our 13th Annual Sale at Mt Pleasant.

Earlier in the year, we made the decision to disperse the stud. The breeding ewes were sold in March and the ewe hoggets in May. The rams offered will be the last of our stock to be sold.

We have been breeding Suffolk's for over 20 years now, but health issues force you to relook at your life.

However, we can look back with pride on some of our stud's achievements over the years.

- Stratford sired cross bred lambs were one of the first to reach the then magical \$150 per head price.
 - We have exported nearly 200 ewes to China over the years.
- Our ewes have founded many a new stud, including Curlew Valley and Belmont Props.
 - We have sold numerous stud rams around the country with a top price of \$6000.
- We won Champion Suffolk Ram at the Royal Adelaide show 3 times, also winning the Supreme Suffolk Exhibit and the Paternoster Trophy for the Supreme British Breed Group.

We would like to thank all of you who have supported us and our sale over the years and hope that you will continue to support Rachel, Neil and Grace in the future.

CURLEW VALLEY SUFFOLKS

In 2006 while I was in WA, I sent my sister and a mate to the Mt Pleasant Suffolk Sale, to buy Stratford 5026 after I had seen him win Grand Champion Ram at the Royal Adelaide Show. \$6000 later, and rather shocked (\$6000 was a lot of money to me back then!) I was the proud new owner. A month later when I went to pick up 'Lachlan Lad', I also bought 20 Suffolk ewes, and so started my association with Peter and Lesley. I have bought many sheep off them over the years, which have bred extremely well to form a solid foundation for my stud. I have developed a strong friendship with Peter and Lesley, and gained valuable advice and support regarding sheep breeding, and life in general! It will be sad to see them no longer breeding suffolks but we wish them all the best for the future. I dare say there will be many more trips to antique auctions with the spare time, but we hope they still have time to make it to a show or two!!

We are pleased to be offering 2 stud Suffolk rams, and 38 flock rams. This year's rams are sired by Burwood 100013, Southrose 9026, Sasimwa 014 and Sasimwa 193. We are also offering 4 composite rams, which are a Texel ram over a pure Suffolk ewe.

I believe a ram is only as good as it's weakest link, therefore a strong focus has been placed on only using the best genetics to produce rams that have excellent carcass traits, while being easy care and able to adapt to feed variations.

All rams were shorn on the 4st Sept 2014. All stock had a precautionary backline with Extinisd, a B12 injection, Glanvac 3 in 1 booster, and a Duocare oral drench. The flock has a OJD status of MN1 – V, with all stock being vaccinated for the past 8 years. They are Brucellosis accredited free.

With a wide selection of rams on offer, I trust you find rams that match your breeding criteria. I would like to thank repeat clients for their loyalty and welcome new buyers.

Like us on Facebook to stay up to date with shows, sales and check the rams progress. A link to our facebook page can be found on our website www.cvsuffolks.com.au

BELMONT SUFFOLKS & BORDER LEICESTERS

We are pleased to offer **22 Suffolk Rams** and **16 Border Leicester Rams** in this sale, with co-vendors Stratford & Curlew Valley Studs.

Belmont Suffolk Stud was founded in 2011 when a total of 31 ewes were purchased from the *Stratford* Stud.

We added 4 ewes from the *Southrose* Stud in November 2011 and 2 ewes from Burwood in January 2013.

The 2011 *Telpara* Stud ram purchase has sired all of this year's offering, and the Reserve Champion Ram from the 2013 Sydney Royal Show - from the *Bowen* Stud of Millthorpe, NSW, will have rams on offer in 2015.

Belmont Borders were founded in 2006.

Purchases from *Gunwarrie*, *Duenclin*, *Menai* & *Johno's* studs, have been part of our breeding program. A stud ram was purchased in October 2013 from *Coolawang* at Mundulla.

Johno's 618/10 is the sire of all Border rams on offer in 2014.

We are pleased to see BELMONT sired Border Leicester/Merino ewe lambs consistently make top prices at the annual Mount Pleasant Off-Shears sale each year in November.

For enquiries or pre-sale inspection, contact
Neil (0408 839411) & Grace Kroehn, Kroehn Road, Eden Valley 08 85641221

Buyer of the top priced Suffolk Ram will receive

1 x 250ml pack of Eryvac
1 x 250ml pack of Glanvac 6SB12

# CURLEW VALLEY TEXEL X SUFFOLK RAMS

At 11mths old (17/8/2014), these rams weighed 83 - 85kgs and scanned between 43 – 45mm eye muscle with 3.5 – 5mm of fat. They have some tremendous early growth rates. I believe they will produce very heavy / early maturing lambs ideal for the sucker lamb job.
